## APPROVED PARTS INTRODUCTION

Dear Customer,

Welcome to the second 2010 edition of *Quality First Simply Better*, which is once again packed with some of the very best offers and discounts on parts around.

As ever, please be sure to look in the centre section of the brochure as you'll find our very latest set of discount vouchers, all valid until 31st August 2010. There is a 50% discount offer on all mirror components, so whether you're looking to purchase a complete mirror assembly or just a component such as the housing or mirror glass, don't miss this great deal. We're also offering a buy one, get one half price deal on all of our popular filter kits. These kits don't just represent great value, they are an excellent way of ensuring you've got everything you need for a complete filter change.

Our brake kits similarly offer great value for money and come complete with everything you'll need. With the enclosed voucher you can benefit from an additional 20% discount on these products.

Spend £500 and you can qualify for a free Renault Trucks branded toiletry bag. You can also take an extra 25% off the cost of any sun visor or select cooling products. We've recently launched a new merchandise range, and as a unique introductory offer you can also benefit from a 10% discount on all goods until 31st August (see the enclosed leaflet for details).

We now offer service exchange flywheels and tachographs at prices significantly below the costs of buying new, demonstrating that although we won't compromise on quality, at Renault Trucks we are dedicated to delivering the very best value across our extensive parts range.

If you have any questions or queries about Renault Trucks parts, don't hesitate to send us an email at [parts@renault-trucks.com](mailto:parts@renault-trucks.com)

**Chris Sharp, Customer Service Director, Renault Trucks UK Ltd.**

## APPROVED PARTS SUN VISORS

# 25%

DISCOUNT ON  
SUN VISORS

\*See voucher for details

Renault Trucks sun visors are designed to fit our range of vehicles perfectly. Made from only the highest quality materials and available in a range of colours and styles, Renault Trucks sun visors offer a cost effective way to protect your eyes from the sun and improve both your safety and the safety of other road users around you.

Renault Trucks also offers a range of wind and roof deflectors designed to increase comfort and improve fuel efficiency. Call your local dealer today to find out more.

## APPROVED PARTS BUMPERS

All Renault Trucks Approved protective body parts are subject to vigorous crash tests to maximise your safety. Materials are devised to resist shock, shattering and vibrations. All components are designed with the safety of the driver in mind, and all products conform to strict homologation requirements.

- The type and strength of materials used maximises the safety of you and your load
- Aerodynamic testing and lightweight materials optimise your fuel consumption and payload
- 5mm thick plastic
- Stiffer parts to prolong life
- Top quality smooth plastic
- Hexagon shaped holes for easy fitting
