

RENAULT TRUCKS READY FOR BUSINESS

RENAULT TRUCKS RANGE D 4X2 SWEEPER FOR EXCELLENT PERFORMANCE AND MOBILITY

Renault Trucks and Johnston Sweepers offer you the right tool for the job – the Ready for Business Sweeper.

The flexible and proven Range D chassis provides a class-leading platform for Johnston's market-leading truck-mounted sweeper. Offered in 9 speed manual and Allison 6 speed automatic form the Range D sweeper is optimised for construction and municipal applications, with the Range D chassis able to offer a higher payload than its rivals, as well as the excellent usability and visibility which are key for the sweeper operator. The Range D Ready for Business sweeper is ready for your business, right when you need it.
