Renault Trucks Traffic Ultimate: A fully equipped limited edition

The Ultimate edition embodies excellence according to Renault Trucks. It stands out with a fully equipped standard specification and an exclusive level of finish designed for your comfort and style.

One Edition, Two Models

The Renault Trucks Traffic Ultimate is available in 2 models: the panel van and the crew van. Available with a 9-speed automatic gearbox or a 6-speed manual gearbox.

Three Colours

Available in Highland Grey, Urban Grey, or Slate Grey, each shade enhances the Traffic's lines. The grille, traversed by a distinctive red line unique to Renault Trucks, instils a sporty and elegant touch, whatever your choice.

Standard equipment :

Cabin and comfort

- Automatic air conditioning
- Hands-free card
- Driver's seat with lumbar adjustment and armrest
- Closed dashboard storage compartments
- Chrome finish dashboard

- Automatic high beam switching and wipers
- Front fog lights
- Front airbags for driver and passenger
- Tyre pressure loss warning system

Driving experience and safety

Multimedia

- 7" colour main display
- 8" multimedia screen with integrated navigation and wireless smartphone replication

Specific features :

Exterior

Glossy black grille with a unique red accent, glossy black front fog light surrounds.

17" bi-tone alloy wheels.

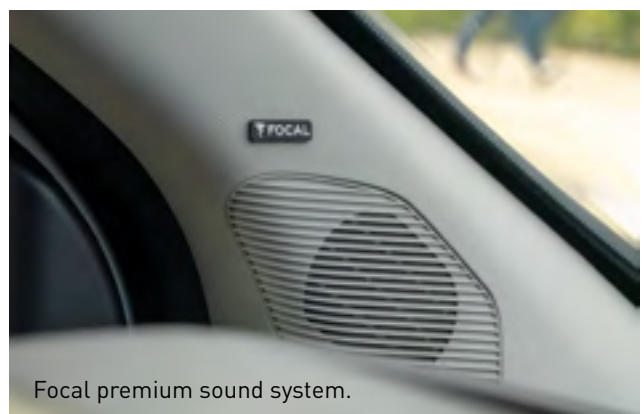

Glossy black rear spoiler.

Perfectly balanced, whatever the exterior colour - distinctive glossy black details and a unique red line on the front for a bold, confident design.

Interior

Door sill with Renault Trucks lettering.

Focal premium sound system.

The standard features of the Renault Trucks Traffic Ultimate models enhance the vehicle's refinement while preserving everyday comfort. The high-fidelity Focal sound system delivers rich, immersive audio to elevate every journey.
